Re: Jackpile Reclamation - Proposal Review Committee

Dear Barry:

Following up on our conversation of July 22, the Pueblo of Laguna requests your assistance in organizing the committee to review the proposals for the technical assistance contract.

The Governor and Reclamation Committee have recommended that the committee consist of one representative each from the BLM, BIA and the Pueblo. The Governor and Committee have further requested that the BIA representative be Dick Bournemann.

I had discussed this issue with John Andrews and he recommended that we make our request through your office for the designation of a BLM representative. Additionally, as we discussed by phone, you stated that you would make some recommendations for the Pueblo's consideration as to who might serve as the Pueblo's representative on the review committee.

Thank you for your assistance in this matter. If I can be of help, please call.

Very truly yours,

NORDHAUS, HALTOM, TAYLOR
